8" x 1" FLAT STAINLESS STEEL DOOR HANDLE

RECTANGULAR EDGE | DUAL-MOUNT BASE WITH CONCEALED FIXING PLATES

Bring a premium finish to your doors with this 8 inch x 1 inch rectangular flat stainless steel door handle, crafted for both aesthetic appeal and robust functionality.

Its clean-lined rectangular design offers a modern, architectural feel that complements contemporary interiors and exteriors alike.

FEATURES

Flat rectangular bar construction for a minimalist, streamlined appearance

Solid dual mounting legs, each fixed to wide square bases for enhanced stability

Concealed fixing plates underneath, pre-drilled for mounting, offering hidden hardware for a polished finish

Mirror-like or satin steel surface that resists corrosion, fingerprints, and wear

Sturdy, professional-grade build suitable for both residential and commercial applications

SLEEK DESIGN

Clean lines and square edges for a modern and stylish look

DURABLE BUILD

Thick 304 stainless steel ensures strength and long-term durability

STRONG SUPPORT

Sturdy legs provide excellent support and secure mounting

Introducing the AP HARDWARE 10 inch Stainless Steel Pull Handle - a perfect fusion of durability and elegant design. Crafted from high-grade 304 stainless steel, this handle offers exceptional resistance to rust and corrosion, ensuring longevity. The sleek chrome finish not only provides a modern, polished look but also makes it easy to clean. Its fancy design adds a touch of sophistication, making it a stylish upgrade for any door. With a comfortable 40 mm length, this handle is both beautiful and practical.

Key Features:

Premium 304 Stainless Steel: Ensures superior strength, durability, and resistance to rust and corrosion, ideal for long-term use in various environments.

Sleek Chrome Finish: Offers a modern, high-shine appearance that is easy to clean and complements a wide range of door styles.

Fancy Design: Adds an element of elegance and sophistication, enhancing the aesthetic appeal of your entryway or interior doors.

Comfortable Grip (40 mm Length): Provides a substantial and ergonomic feel for ease of use.

Easy to Install: Designed for straightforward installation with standard fittings.

FEATURES

Premium Quality

Made from high-grade 304 stainless steel for superior strength and durability

Rust & Corrosion Resistant
